

# Audit Committee Charter

## Organisation

This charter governs the operation of the ATC Alloys Ltd (ATA) Audit Committee (Committee).

The Audit Committee shall comprise the full Board of Directors until such time as the activities and/or size of ATA warrant the creation of a separate Audit Committee comprising only some of the Directors.

The Audit Committee meets at least twice annually, to discuss the financial statements with management and the independent auditor prior to the finalisation of the ATA annual and half yearly reports, with further meetings on an as required basis.

At the discretion of the Chair, having regard to the nature of the agenda, relevant members of management may be invited to attend meetings or parts of meetings.

## Purpose

The purpose of the Committee is to provide assistance to the Board in fulfilling their oversight responsibility relating to:

- The integrity of the ATA financial statements.
- The effectiveness of ATA's internal control over financial reporting.
- The independent auditor.

## Duties and Responsibilities

The following shall be the principal duties and responsibilities of the Committee:

- In relation to the independent auditor the Committee is directly responsible for the appointment, compensation, rotation of the lead audit partner, retention of the audit firm and oversight of the work of the independent auditor. This shall include all audit and non-audit services provided by the independent auditor. The independent auditor shall report directly to the Committee.
- Regular review with the independent auditor any audit problems or difficulties encountered during the audit including any restrictions on the scope of the independent auditors' activities or access to information.
- Meet to discuss the financial statements with management and the independent auditor prior to the finalisation of the ATA annual and half yearly reports.
- Review of the financial statements shall include:
  - Major issues regarding accounting policies and financial statement presentation.
  - Discussions with management and the independent auditor regarding significant financial reporting issues and judgments made in the preparation of the financial statements and the reasonableness of those judgments.
  - Consideration of the judgment of both management and the independent auditor about the quality of the accounting policies including any significant changes in their selection or application.
  - Assessment of whether external reporting is consistent with the Committee's information and knowledge.
  - The clarity of the disclosures in the annual and half yearly external reports.

- At the end of each reporting period, receive a declaration from the Chief Executive Office (or equivalent) and Company Secretary that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
  - Make recommendations for improvements (if any) in relation to the internal management and the financial controls of the Company.
  - Review all related party transactions and discuss with management the business rationale for the transactions.
  - Evaluate its own performance annually to determine if the Committee is functioning effectively. The process is to include a review of its charter. The approval of the Board is required for any amendment to the Committee charter.
